

Appeal to Use 2024 Parental* Income Information for the 2025/2026 Academic Year

Purpose of this form:

Students whose parent(s) have experienced significant changes in income from 2023 to 2024 may appeal to have 2024 tax information utilized instead of 2023 for calculation of institutional funding eligibility.

To submit your appeal:

1. Complete this form.
2. Submit this form along with a copy of your parent(s) 2024 completed tax return(s). Appeals will not be considered without completed tax returns.

This information may be submitted via regular mail, fax (415) 476-6652, in person, or via email to finaid@ucsf.edu.

Note: If you are a first-time applicant using the CSS Profile application, you are able to upload your 2024 as well as 2023 tax returns using the IDOC process. If you have done so, please indicate in your comments below.

School _____ (Medicine, Dentistry, etc.)

Please describe the reasons for this appeal, including information about the tax filing status of your parent(s), whether they are married, and if they file a joint return.

Your appeal will be reviewed by a committee of financial aid advisors, and you will be notified of its outcome prior to any changes to financial aid packaging.

*Students need not appeal to have 2024 income used for financial aid purposes, as we will automatically review your financial aid/COLS application for projected income during the 2025-2026 academic year.
