Cost of Attendance 2017-2018

*Actual tuition, fees, and charges are subject to change by the Regents of the University of California and could be affected by increases or reductions in State funding, or other developments.*
Student Financial Aid establishes a modest, yet adequate cost of living budget to determine financial aid eligibility. This budget includes estimated figures for housing and utilities, food, transportation, personal and miscellaneous, and medical expenses. Students who live less expensively will be able to borrow less!

How Funds Are Disbursed

All students are required to sign-up for Electronic Fund Transfer (EFT) for their Federal Direct (Stafford) and PLUS and University funds. Failure to sign-up may result in the delays and inconveniences associated with mailing.

to Complete this EFT process you must do two things:
1. Direct (Stafford)/Graduate PLUS Direct Deposit (EFT) - Follow instructions at this link.

2. Additionally, you must complete a Student Direct Deposit Request Form.

Direct Deposit of Funds

Direct deposit of financial aid to your bank account is available to all financial aid, including Direct (Stafford) and Graduate Plus Loans! **Note: We recommend choosing the bank account EFT option to receive funds. Choosing the debit card option will involve incurring additional costs if you intend to use the card to pay your UCSF tuition/fee balance.**

* Students must clear any financial aid check holds and register by the registration deadline for that semester in order to qualify for direct deposit of funds by the disbursement date.
