**California College Fee Waiver Program-Cal Vet**
The State of California Department of Veterans Affairs established the California College Fee Waiver Program, which gives educational fee exemptions to survivors of deceased or disabled veterans.

The Cal Vet exemption covers mandatory system-wide charges assessed by academic programs that receive State support. For state-supported programs at UCSF, the specific charges covered by the Cal Vet exemption are Tuition, the Student Services Fee, and Professional Degree Supplemental Tuition.

The Cal Vet exemption does not apply to tuition and fees of UCSF's Self-Supporting Programs. If you are unsure of the type of Tuition and Fees you are charged, please contact your program or the Office of the Registrar.

To be found eligible, students must apply annually with a County Veterans Service Office. After eligibility is determined a letter of authorization will be sent to the student from the Veterans Service Office. To request use of the waiver at UCSF, please submit the Cal Vet College Fee Waiver Request form and upload or send in the authorization letter from the Veterans Service Office.
