

GAINFUL EMPLOYMENT DISCLOSURE INFORMATION FOR DENTAL POST GRADUATE PROGRAMS

UCSF offers dental post graduate certificates in the following programs:

Endodontics	Standard Occupational Classification (SOC) 51.0506
Orthodontics	Standard Occupational Classification (SOC) 51.0508
Pediatrics	Standard Occupational Classification (SOC) 51.0509
Periodontology	Standard Occupational Classification (SOC) 51.0510

Wage information for a DDS holding a specialized certificate can be found on the Department of Labor's O-Net: <http://www.onetonline.org/>. Use the SOC code above to check occupation profile data.

Average tuition and fees charged for completing the program within the normal time of three years is \$55,368 for all three years (\$18,456 annually).

Average book and supply costs needed for completing the program within the normal time frame of three years is \$15,000 (\$5,000 annually).

Dental Post Graduate Budgets can be found here: <http://finaid.ucsf.edu/newly-admitted-students/cost-attendance>

Dental post graduate certificate placement rates: To be determined by National Center for Education Statistics (NCES)

Average UCSF loan debt for all dental post graduate certificates combined is \$106,150

Note: Fewer than 10 students complete certificate programs in the listed categories in an award year. For privacy reasons and as instructed by the Department of Education, UCSF does not publically disclose on-line completion rates or medical loan debt amounts of any kind.

Fees are subject to change at any time without notice
