2024–2025
Independent Student Verification
Worksheet
Tracking Group V5–Aggregate Verification

Your Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The financial aid administrator at your school must compare your FAFSA information with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. Verification must be completed before your financial aid can be finalized and before any federal aid may be disbursed to you. You must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the financial aid administrator at your school. Your school may ask for additional information. If you have questions about verification, contact your financial aid administrator as soon as possible so that your financial aid will not be delayed.
